

Drawings

Model TY520, TY530 Digital Multimeter

Unit: mm
(approx. inch)

Weight: approx. 570 g
(including batteries)

Note: This figure shows the TY530, but there is no difference in exterior from the TY520.

If not specified, the tolerance is $\pm 3\%$. However, in cases of less than 10 mm, the tolerance is ± 0.3 mm.
